

Vacancy Overview

We have an immediate position for a creative and highly motivated Junior/Graduate Graphic Designer to join our dynamic and successful team.

You will be qualified to degree level in a relevant discipline, ideally with intern experience, and be able to show a portfolio of your recent work.

The role is extremely varied but at its core will be a drive to always push the boundaries with fresh ideas and a keen eye for impeccable layout, typography and use of colour. You will be expected to generate, develop and present great ideas and be fascinated by brands and how they communicate their values.

You will get the opportunity to work with the world's leading companies on an exciting and varied range of both internal and client-based projects; there is also an attractive benefits package and development program.

Role

- Create engaging design solutions and artwork for the web, mobile, print, packaging and products
- Produce delightful illustrations, icons and data visualisations
- Generate engaging presentations and social media content and improve social media presence

Requirements / Skills

- Competence with Adobe Creative Suite; InDesign, Illustrator and Photoshop and a willingness to learn
- Strong typographic flair, layouts and use of colour
- Incredible attention to detail
- Solid understanding of creating production ready assets for digital and print
- Experience in creating custom illustrations and icons
- Professional awareness and appreciation of client needs
- A keen market awareness of current technology, emerging styles and trends
- (Desirable) Motion Graphics Video editing/production skills
- (Desirable) Understanding of UI design for web and mobile
